Located in Amantea, a lovely village on the coast of Calabria, founded in the 600s, the Hotel offers modern rooms and all the best comforts. For this project Uponor worked on the new sauna of the wellness center of the hotel.

In order to allow high comfort level in the spa area an Uponor radiant heating system has been installed. To enable warm floor the Uponor floor heating line Uponor performato black 30 has been chosen. It has also an excellent sound protection functionality. Customers can enjoy the nice area from now on.

Also for tapwater installation Uponor multilayer composite pipes have been used in dimension 16/20/25 and 32 mm. For the supply water pipelines the dimensions 40, 50 and 63 have been used. All equipped with reliable Uponor press system for composite pipes. The full system guarantees long term warranty.
