Vuglec Breg - Winery, guest house & restaurant

Hiža Jagica, Vuglec Breg

The tourist village of Vuglec Breg is located not far from the town of Krapine, about 300 meters above sea level with a view of the coastal cliffs. On the surface of 12 hectares at the bottom there is a large vineyard and a spacious wine cellar, a restaurant, a swimming pool with sunbathing, and renewed autochthonous hijabs designed for entertaining guests. It is ideal for active holidays and at the slope complex there are children's playgrounds and a small farm with pets. The surroundings of Vuglec Brega and the beautiful countryside can be discovered by Quad and cycling, and not far from the only tourist facilities and play tennis or nogomet. Osim toga, tourist facilities Vuglec Breg nudi programs for sastanke, conferences and team building. The complex is equipped with salom for sastanke, and the peaceful location and distance from urban environments enables ideal team building through a wealth of activities
